

XVIII DOCUCHAEV'S CONFERENCE FOR YOUNG SCIENTISTS

«Soil degradation and food security of Russia»

2–5 of March, 2015
Saint-Petersburg, Russia

INTERNATIONAL SCIENTIFIC CONFERENCE

Saint-Petersburg
2015

Saint-Petersburg State University. Institute of Earth Sciences
Central Museum of Soil Science of V.V. Dokuchaev
Dokuchaev Society of Soil Science
Fund for Retention and Development of the Scientific Heritage of V.V. Dokuchaev

The organizing committee of the International scientific conference XVIII Dokuchaev's conference for young scientists «Soil degradation and food security of Russia» invites you to take part in the conference which will take place on March 2-5, 2015 in St. Petersburg.

Topics of the conference:

1. Forms of soil degradation and rehabilitation methods.
2. Agroecological potential of Russian soils.
3. Spatial and temporal aspects of the degraded soils study.
4. Study methods and assessment of the degraded soils.
5. Environmental regulation and legislation in the field of soil conservation.
6. Genesis, classification and mapping of soils.
7. Engineering soil science.
8. School section "The soil is a wet nurse".

Participants of the conference can be students, post-graduate students and young scientists under 35 years old. A recommendation of a supervisor is necessary for students and post-graduate students. A co-authorship with the supervisor isn't allowed.

The co-authorship with the supervisor is allowed for school students.

Organizing committee:

Chair: Aparin B.F., director of the Central Museum of Soil Science of V.V. Dokuchaev, head of department of soil science, vice-president of Dokuchaev Society of Soil Science, Doctor of Agricultural Science, prof.

Executive secretary: Maksimova E.Yu., leading specialist of Scientific Analytical Department LLC "Eco-Express-Service"

Organizing committee members:

Ryumin A.G., teaching assistant of department of soil science

Mingareeva E.V., academic secretary in the Central Museum of Soil Science of V.V. Dokuchaev

Shheglova K.E., master's student of department of soil science

Pigareva T.A., senior laboratory assistant of department of soil science

Lazareva M.A., junior research scientist in the Central Museum of Soil Science of V.V. Dokuchaev

Bulysheva A.M., master's student of department of soil science

Zaharova M.K., student of department of soil science

Merzljakova Ja.V., master's student of department of soil science

Curator: Sukhacheva E.Yu., deputy director for Science in the Central Museum of Soil Science of V.V. Dokuchaev, associate professor of department of soil science

Curators of school section: associate professor Nadporozhskaja M.A.,
senior research scientist Fedoros E.I.

e-mail: dkonf2015@gmail.com

Conference application form should be sent to dkonf2015@gmail.com till **1st of November, 2014.**

Conference application form should include:

1. First name and last name.
2. Paper title.
3. Affiliation.
4. Address, e-mail, tel.
5. Section title.
6. Oral/poster presentation.
7. Name of the supervisor.

Abstracts should be sent to dkonf2015@gmail.com till **12th of January, 2015.**

Registration fee. A registration fee is 1000 roubles. School students don't need to pay the registration fee.

All submitted and accepted abstracts will be published by the beginning of conference in an abstract book. The best papers will be published in a book "Materials on Russian Soils' Study".

A discussion on "Integration of the Russian young scientists into the international scientific community of soil scientists" will be organized as part of the XVIII Docuchaev's conference for young scientists. Intending participants should send suggestions on this topic till **14th of January, 2015.** We are looking forward to hearing from you: dkonf2015@gmail.com.

More information about the conference is available at: <http://soil.pu.ru>; Section «Conferences».
Please, distribute this information among the interested experts.

Paper requirements:

Papers should not be more than 2 pages. The size of type is 12 pt, interval between lines is single. The *first line* is a title of paper, *the second* – authors, *the third* – country, city and university, *the 4th* – e-mail.

Abstract example:

UDC (*Universal Decimal classification*) 631.10

Soil organic matter characteristics
of urbanozems in St. Petersburg
