ANNIVERSARY INTERNATIONAL SCIENTIFIC CONFERENCE
XXI DOCUCHAEV'S CONFERENCE
FOR YOUNG SCIENTISTS

«Soil Science as Bridge between Sciences »

28 February –3 March, 2018
Saint-Petersburg, Russia

The organizing committee of the International scientific conference "XXI Dokuchaev's conference for young scientists" «*Soil Science as Bridge between Sciences* » invites you to take part in the conference which will take place on 28 February –3 March, 2018 in St. Petersburg.

Topics of the conference:

1. Soil as mirror and memory of landscape
2. Reclamation and remediation of soils
3. Mineral soil matrix and its change under anthropogenic impact
4. Legislation in the field of soil protection. Regulatory requirements
5. Soil biology. Invisible in visible
6. Interdisciplinary methods in soil research
7. School session "Soil in our life"

Participants of the conference can be students, post-graduate students and young scientists under 35 years old. A recommendation of a supervisor is necessary for students and post-graduate students. A co-authorship with the supervisor isn't allowed.

The co-authorship with the supervisor is allowed for school students.

Organizing committee:

Chair: Aparin B.F., scientific supervisor of the Central Museum of Soil Science of V.V. Dokuchaev, head of the department of soil science of the Saint-Petersburg State University, vice-president of the Dokuchaev Society of Soil Science, Doctor of Agricultural Sciences, prof.

Co-chair:

Sukhacheva E.Yu., director of the Central Museum of Soil Science of V.V. Dokuchaev, associate professor of the department of soil science of the Saint-Petersburg State University, PhD

Executive secretary: Bulysheva A.M., PhD's student of the department of soil science of the Saint-Petersburg State University

Secretary: Lazareva M.A., research scientist of the Central Museum of Soil Science of V.V. Dokuchaev, PhD's student of the V.V. Dokuchaev Soil Science Institute

Organizing committee members:

Zaharova M.K., PhD's student of the department of soil science of the Saint-Petersburg State University

Mingareeva E.V., senior research scientist of the Central Museum of Soil Science of V.V. Dokuchaev, PhD's student of the All-Russian Scientific Research Institute of Radiology and Agroecology

Musaev T.K., student of the department of soil science of the Saint-Petersburg State University

Revina Ya.S., student of the department of soil science of the Saint-Petersburg State University

Ryumin A.G., senior teacher of the department of soil science of the Saint-Petersburg State University

Simonova Yu.V., PhD's student of the department of soil science of the Saint-Petersburg State University

Curators of school section: Revina Ya.S., student of the department of soil science of the Saint-Petersburg State University

Languages of conference: Russian, English

E-mail: dkonf2018@gmail.com

Website: <http://www.dokuchaevskie.ru>

Phone: +7(952)099-91-86

To participate in the conference as a speaker, you must fill out an application for participation before December 15, 2017 on the conference website in the "**Participate**" section <http://www.dokuchaevskie.ru/participate>

Abstracts should be sent to dkonf2018@gmail.com till **12th of January, 2018**.

If you want to change a title of the abstract or include new co-authors after sending an application form, you should click on a link. The link will be in the letter which automatically will be sent at the time of participation form registration in the conference to the email address specified when completing the application form.

Registration fee. A registration fee is 700 RUB (early registration (before 12-01-2018)) or 1000 RUB (late registration (after 12-01-2018)). School students don't need to pay the registration fee.

The method of payment will be indicated in the information letter No. 2.

All submitted and accepted abstracts will be published by the beginning of conference in an abstract book. The best papers will be published in a book "Materials on Russian Soils' Study".

More information about The Conference is available at: <http://soil.spbu.ru>; Section «Conferences» and <http://www.dokuchaevskie.ru>.

Please, distribute this information among the interested experts.

Paper requirements:

Papers should not be more than 2 pages. The size of type is 12 pt, interval between lines is single. The *first line* is a title of paper, *the second* – authors, *the third* – country, city and university, *the 4th* – e-mail.

Abstract example:

UDC (*Universal Decimal classification*) 631.10

SOIL ORGANIC MATTER CHARACTERISTICS
OF URBANOZEMS IN ST. PETERSBURG

P.P. Petrov

Saint-Petersburg State University, petrov@mail.bio.spbu.ru

Humus and soil formation. Humus and soil formation. Humus and soil formation. Humus and soil formation. Humus and soil formation. Humus and soil formation. Humus and soil formation. Humus and soil formation. Humus and soil formation. Humus and soil formation.

The paper is recommended by Doctor of Biological Science, professor I.I. Ivanov.
