INTERNATIONAL SCIENTIFIC CONFERENCE XXII DOCUCHAEV CONFERENCE FOR YOUNG SCIENTISTS

«Soil is the System of Functional Connections in Nature»

devoted to the 150th anniversary of the discovery
of Mendeleev periodic law of chemical elements

25 February – 2 March, 2019
Saint-Petersburg, Russia

Dear colleague!

The organizing committee of the International Scientific Conference “XXII Dokuchaev Conference for Young Scientists” «*Soil is the System of Functional Connections in Nature*» reports that your report is included in the program of work of the Conference!

Registration fee

A registration fee is 13 euro (1000 RUB). You can pay the registration fee on arrival at the conference in St. Petersburg. School students don't need to pay the registration fee.

If you need an official invitation to issue, please send a request to dkonf2019@gmail.com.

You must confirm your arrival at the conference and the form of presentation in the conference by e-mail: dkonf2019@gmail.com before February 1, 2019. Conference participants book hotel reservations themselves.

Abstracts should be uploaded to via the form located at the link <http://www.dokuchaevskie.ru/2019t?lang=en> before December 20, 2018. Together with the submission of abstracts, you must upload the Agreement to the publication of abstracts, drawn up according to the presented example in the abstract submission form. Agreement must be printed, signed, scanned and downloaded in jpeg or pdf format. To upload abstracts, you will need to create a Google account if you do not have one. A link for creation of a Google account there is also at: <http://www.dokuchaevskie.ru/2019t?lang=en>

The conference program will be drawn up after the participants confirm their arrival and report form. The program will be presented in the second half of February on the website: www.dokuchaevskie.ru. Also the conference program will be sent by e-mail to all registered conference participants.

Preliminary conference program

February 25, 2019 (Monday) - arrival of the conference participants.

February 26, 2019 (Tuesday) - tour of the Central Museum of Soil Science of V.V. Dokuchaev (Birzhevoy proyezd, 6); Museum – archive of D.I. Mendeleev (University Embankment, 7/9).

The work of school session will be begin in the Central Museum of Soil Science of V.V. Dokuchaev (Birzhevoy Proyezd, 6) from 11:00.

February 27, 2019 (Wednesday) - registration of participants from 9:00 to 10:00, then at 10:00 there will be a grand opening of the conference and a Plenary session (Main building of St. Petersburg State University, University Embankment, 7/9).

The work of school session will be begin in the Central Museum of Soil Science of V.V. Dokuchaev (Birzhevoy Proyezd, 6) from 11:00.

The work of sessions will begin from 14:00 at the Department of Soil Science and Soil Ecology, St. Petersburg State University (16-Ya Liniya (Vasilyevsky Island), 29).

February 28, 2019 (Thursday) - The work of sessions will be held at the department at the Department of Soil Science and Soil Ecology, St. Petersburg State University (16-Ya Liniya (Vasilyevsky Island), 29).

March 1, 2019 (Friday) from 09.00 to 18.00 – The work of sessions will be held at the department at the Department of Soil Science and Soil Ecology, St. Petersburg State University (16-Ya Liniya (Vasilyevsky Island), 29).

From 12:00 to 13:00, laying flowers will be held on the grave of V.V. Dokuchaev (Smolensk cemetery).
